

Find the mistakes that I have made.

Write or draw the question out to spot the mistake.

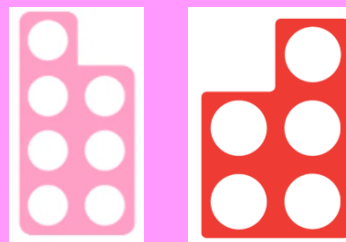

1. Double 4 = 9

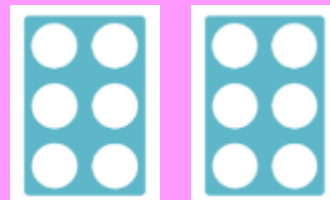

2.  $3 \times 4 = 15$

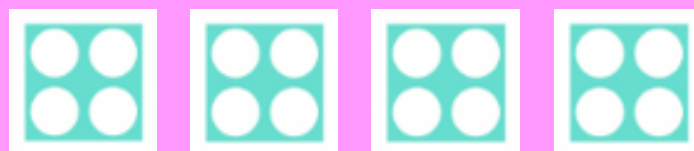

3.  $12 \div 2 = 7$

4. Double 5 = 12

5.  $5 \times 4 = 16$

Create and develop a question of your own.
