Introduction

[Back to Table of Contents](#)

Message from Chair of Governors Autumn 2023

Llanrhidian's Annual Report gives you key info about our last year as a school. It updates you about our school community, the work of our fantastic staff and the experiences of children.

As you'll see, it's been a busy and exciting year. As part of supporting Llanrhidian children to be happy, healthy and learning, our school opened the doors to our whole community. Families took part whole-heartedly in the traditional calendar of events, and our wonderful children and staff launched Caffi Cynefin, which gives everyone in our part of Gower a place to be warm, welcome and part of our community.

Importantly, Caffi Cynefin is one of the examples of how our school gives children authentic and meaningful ways to learn, socialise and develop their skills. It's one of many examples of the ways Llanrhidian is developing the new Curriculum for Wales.

In our Annual Report, you'll see information about how Llanrhidian's curriculum is supporting children across all the areas of learning and experience. You'll also see information about how Llanrhidian is taking forward new approaches to supporting children with Additional Learning Needs, in line with the new Additional Learning Needs legislation in Wales.

A huge thank you on behalf of the Governing Body to the whole community of Llanrhidian Primary: to the Head teacher and staff; the children; and the families and community members that support our children to 'be the best they can be'.

Jane Houston
Chair of Governors

Sept 2023 Total Children (including nursery) =147

- Total FTE = 140.5
- N2 = 13
- N1 = 0
- Capacity = 140 (not including nursery)
- Actual = 134 (95.7% not including nursery)
- Capacity = 180 (including nursery 1 and 2)
- Actual = 147 (81.6% including nursery 1 and 2)

Children's Rights

[Back to Table of Contents](#)

Children's rights are the human rights of children set out in the United Nation Convention on the Rights of the Child (UNCRC).

Children need their human rights to be happy, healthy and safe. The key principles of the UNCRC are the rights of all children to:

- Equality and non-discrimination;
- Decision making in their best interests;
- Survival and development;
- Participation of the child in decisions that affects their life.

Llanrhidian school is a rights-respecting school. This means that these principles of children's rights are at the centre of decision making in the school. Our school vision is 'to inspire learners to be the best they can be!'

This is based on Article 29 of the UNCRC, the right of all children to develop their talents and skills to the full.

“The best thing about school is seeing my friends and learning new things!”

“I know our school listens to us because they listen to me if I have an argument or upset or mad. I know I can trust them and tell them the truth!”

“Children’s rights are so important to ensure we have an identity and a good childhood!”

“When my teacher gives me feedback I know what to do next to make my work better! Making progress makes me feel great!”

(Pod Prycop Pupils)

School Performance

[Back to Table of Contents](#)

As Curriculum for Wales rolls out in schools and settings across Wales, it marks a significant shift in the role of assessment within education, at both a national and a school/setting level. The purpose of assessment is to support each individual learner to progress at an appropriate pace, ensuring they are supported and challenged accordingly. To do so, the Curriculum for Wales (CfW), as defined in the [Supporting Learner Progression: Assessment Guidance](#) sets out the three key reasons for assessment:

- support individual learners on an ongoing, day-to-day basis
- identify, capture and reflect on individual learner progress over time
- understand group progress in order to reflect on practice

To enable this approach to assessment, aspects of the previous arrangements have been removed and new requirements have been introduced to ensure that supporting learners to make progress is at the heart of assessment going forward.

Assessment

As a school we have robust assessment arrangements in place. We draw upon a range of information to ensure every pupil is supported appropriately. We place huge value on the importance of "formative" and "in the moment" assessment which enables the staff to facilitate immediate progress. Parents receive regular information on their child's progress, and are given help to understand their next steps in learning.

Assessment arrangements include:-

- On-entry assessment
- Day to day formative assessment
- Identifying, capturing and reflecting on learner progress over time
- Understanding group progress
- A shared understanding of the principles of progression
- Learner progress meetings
- Opportunities to plan and refine progression and assessment practices-in school and across cluster,
- personalised assessments
- parent/carers involvement

As a school we also monitor the well-being of every pupil to ensure they are getting the support they need to have the best life opportunities.

“I like coming to school so I can draw and play with my friends!”

“I love the healthy hat and doing gardening. I like going on the bikes.”

“Our teachers are fun and amazing and beautiful.”

(Pod Penguin Pupils)

Additional Learning Needs (ALN)

We are currently working with two ALN systems the Special educational needs code for Wales 2002 and the new Additional Learning Needs Code for Wales 2021. The transformation program will take three years and we began the process of transferring to the new system in January 2022.

We are currently moving pupils in specific year groups from IEP's to IDP's if required. All identified pupils are discussed with school staff, ALNCo and the Headteacher and decisions are made on whether the school can meet that pupils needs through Universal Provision or whether they require more targeted intervention or support from an outside agency.

Parents are notified throughout the process and are fully involved in discussions and listened to through Team Around the Child (TAC) and Pupil Centred Review (PCR) meetings.

How is the ALN Register Constructed?

When a parent, carer or member staff has a concern related to the academic progress, emotional development or medical condition of a pupil, they bring their concerns to the attention of the Additional Learning Needs co-ordinator (ALNCO). The ALNCO, appropriate staff members and parents will then meet to discuss the pupil and decide on a course of action.

Identified pupils on the old SEN system would be graded, dependent on their needs e.g. School Action, School Action Plus (require outside agency support e.g. Speech and language) and Statemented pupils.

The new system would mean that newly identified pupils would follow a graduated response where progress would be monitored over a decided short period of time. If progress was limited and the gap between peers was significant for that pupil then the process of writing an IDP would begin.

There are currently 17 pupils on our dual system ALN register: 4 pupils are School Action(SA), 10 pupils are School Action Plus(SA+), 2 are statemented and 1 already has an IDP. During the 2022 academic year these pupils, dependent on their year group will be transferred over to IDP's as needed.

How is the ALN Register Constructed?

The definition of ALN and ALP (please refer to Chapter 2 of the ALN Code)

This school policy adopts the definition of ‘additional learning needs’ (ALN) as given:

A person has additional learning needs if he or she has a learning difficulty or disability (whether the learning difficulty or disability arises from a medical condition or otherwise) which calls for additional learning provision.

A child of compulsory school age or a person over that age has a learning difficulty or disability if he or she:-

- has a *significantly* greater difficulty in learning than the majority of others of the same age, or
- has a disability for the purposes of the Equality Act 2010 which prevents or hinders him or her from making use of facilities for education or training of a kind generally provided for others of the same age in mainstream maintained schools or mainstream institutions in the further education sector.

A person does not have a learning difficulty or disability solely because the language (or form of language) in which he or she is or will be taught is different from a language (or form of language) which is or has been used at home. in the ALN Code

How is the ALN Register Constructed?

The definition of additional learning provision (ALP)

- (1) ‘Additional learning provision’ for a person aged three or over means educational or training provision that is additional to, or different from, that made generally for others of the same age in -
- Mainstream maintained schools in Wales,
 - Mainstream institutions in the further education sector in Wales, or
 - Places in Wales at which nursery education is provided.
- (2) “Additional learning provision” for a child aged under three means educational provision of any kind.
- (3) In subsection (1), “nursery education” means education suitable for a child who has attained the age of three but is under compulsory school age.

School Decision Making Process

In order for the school to determine whether a child has ALN, the following tests must be applied.

- (a) Does the child or young person have a learning difficulty or disability?

The key questions that need to be asked are:

- i) Does the child or young person have a greater difficulty in learning than the majority of others of the same age?
- ii) Does the child or young person have a disability (within the meaning of the Equality Act 2010) which prevents or hinders the child or young person from making use of facilities for education or training of a kind generally provided for others of the same age in mainstream maintained schools or mainstream FEIs.

If the answer to either (or both) question is ‘yes’, it is necessary to proceed to apply the second test. If the answer is ‘no’ to both questions, the child or young person does not have ALN.

- (b) Does the learning difficulty or disability call for ALP?

If the child or young person has a learning difficulty or disability which calls for ALP, the child or young person has ALN for the purposes of the Act.

Individual Development Plans

What is an individual Development Plan and Who is issued one?

All pupils listed on the ALN Register will have an IEP (Individual Education Plan) or a Statement of special educational needs.

The New ALN code states that all schools will follow a decision making process and where an Additional Learning provision is needed and IDP will be written, constructed with direct reference to their individual needs.

In accordance with the requirements of the Code of Practice, the view of parents and pupils are sought and recorded within the review process.

In most cases an IDP is maintained by the school but there are instances where a it is maintained by the Local Authority.

LAC - Looked after Children - A local authority is responsible for making decisions about ALN and maintaining any IDPs for all children it looks after who are in the area of a local authority.

Dual registered pupils - The Local Authority will be responsible for writing and maintaing IDP in the case of pupils who are registered in two settings e.g. Nursery schools & Creche, ABA home/ school provision.

Who is Responsible for Delivering ALN Support Within Our School?

Mrs Marchant is the ALNCO (Additional Needs Co-Coordinator). Support is also provided by Teachers & Teaching Assistants, Mrs Marchant is always happy to discuss your child's progress in relation to special needs, should you wish to do so.

Who is the Governor with Responsibility for Special Needs?

The Code of Practice requires that a member of the governing body is allocated the responsibility of liaising with the ALNCO and Head Teacher, in order to maintain a high standard of provision for children with special needs. In the case of Llanrhidian Primary School this is Ruth Costigan.

Arrangements for the teaching of Welsh

[Back to Table of Contents](#)

Llanrhidian is an English medium school and communications with parents are provided in English. Welsh is taught as a second language from Nursery age.

The National Curriculum requires children to develop skills in speaking, listening, writing and reading Welsh. Llanrhidian school aims to use the Welsh language so that children see, hear and use it as a natural part of school life. It is given a prominent role in many school activities.

Children also have an opportunity to learn about Welsh culture and heritage, as well as the language of Wales, through activities such as St. David's Day celebrations. Our teaching of Welsh is supported by the LA's team of peripatetic Welsh teachers (Athrawon Bro), who visit the school regularly to work alongside teachers and pupils in developing Welsh Language. All staff undertake relevant training to improve their competency in teaching and learning Welsh.

Arrangements for the Teaching of Sport

[Back to Table of Contents](#)

The school offers at least one hour of physical education each week as part of the curriculum. Teams in different sports compete in various competitions. There is also an after schools club which is free and run by staff. Pupils in Pod Pry Cop attend swimming lessons. By the time pupils leave Llanrhidian we endeavour for them to have attended at least one residential, and also a surf lesson.

“My teachers help me when I am in the blue or yellow zone. This helps me to stay out of the red zone.”

[Back to Table of Contents](#)

“My teacher are brilliant, the best and really fun!”

“The best thing about our pod is that our teachers are kind.”

“We always make each other happy and we can make our own choices.”

(Pod Pysgodyn)

Breakfast Club

[Back to Table of Contents](#)

The school offers an Art & Craft Club from 8.00am to 8.25am.

Also, there is a free breakfast service to pupils of nursery age and above. This service, which starts at 8.25am offers a range of nutritious foods. Our breakfast/ lunchtime supervisory assistants and canteen staff must be commended for the way they have been part of the team at Llanrhidian by working together.

Their work is very much appreciated and doesn't go unnoticed.

<https://www.llanrhidian.swansea.sch.uk/early-bird-craft-club/>

<https://www.llanrhidian.swansea.sch.uk/school-clubs-1/>

Clwb Ceirios

This is an after school child-care provision for full time pupils. (Reception to Year 6) and is run by school staff. Pupils receive a drink and snack and participate in appropriate play based activities. This could include arts and craft, games and outdoor fun.

We are very grateful to the staff who are willing to run this club, without them we would not be able to offer this wonderful provision.

<https://www.llanrhidian.swansea.sch.uk/clwb-ceirios-after-school-child-care/>

[Back to Table of Contents](#)

Pupil Voice & Active Citizenship

The school works with charities that promote active citizenship such as Matthew's House, Sponsored Child and Children in Need.

Pupils and parents are encouraged to become aware of local, national and global issues faced by children. We promote a sense of community and respect.

Llanrhidian Primary School pupils are encouraged to be active and informed citizens who look after their school local community and beyond to develop a positive future for all.

Children have a variety of roles through a wide range of pupil voice groups. Children take their responsibility very seriously and show commitment for the good of our school. These activities develop children's sense of wellbeing as they focus on needs of others around them and their relationship with those around them.

Visit our pupil voice pages on our school website here:
<https://www.llanrhidian.swansea.sch.uk/news-from-the-pupils/>

[Back to Table of Contents](#)

School Council

[Back to Table of Contents](#)

The school council at Llanrhidian is an important pupil voice group. Pupils are elected by their peers to represent their class on the council. The school council is signed up to the Children's Commissioner for Wales' Super Ambassador scheme, and receive termly 'special missions' from the Commissioner to help promote children's rights in Llanrhidian. Mrs Archard is the link teacher for the school council.

“The elections for school council are really exciting and nerve wracking, but its an important job so we have to get it right!” (Year 5 pupil)

“When I got elected for school council I felt proud” (Year 4 pupil)

Community Links

It is a regular focus of our School Development Plan that we maintain and extend our links with the community. Eg Big Meadow Farm. The school maintains close links with the local community through school performances and events.

Close links are also maintained with Gowerton Comprehensive School through visits of pupils (Year 4, 5 & 6), Headteacher meetings, curriculum leader meetings and sporting activities.

Open the Book Assembly group are regular visitors to the school, telling traditional bible stories to the school. The police liaison team are well known visitors and carry out various personal and social workshops with the pupils. P.C. Andrew Brown comes in regularly to support the school with road safety. Let's not forget our amazing Caffi Cynefin.

[Back to Table of Contents](#)

School Prospectus

The school prospectus is reviewed and updated regularly. This is posted on the school website. The prospectus contains information about the school's class structures and outlines the aims and vision of the school. For a full colour copy of the prospectus, please ask Mrs. Whitehead in the school office or see the school's [website](#).

Secondary School

[Back to Table of Contents](#)

Our links with our partner secondary school, Gowerton School have continued to be strong over the course of the year. The Year 6 children have attended orchestral days at the school. Gowerton organise a 'transition period' in which our Year 6 children will spend several days at the school familiarising themselves with the layout of the site, the teachers, and procedures and routines in regards to lunchtimes etc.

Moral & Social Development

Our innovative curriculum helps guide and support the moral and social development of our pupils. Our school ethos and school policies plan and support this area. This is underpinned by the United Nations of the Rights of the Child and the Sustainable Development Goals.

[Back to Table of Contents](#)

The New Curriculum 2022

[Back to Table of Contents](#)

A new curriculum has been developed for schools in Wales. Llanrhidian has been part of developing this new curriculum as a 'pioneer school'.

You can see the how we are designing our new curriculum [here](#).

The new curriculum has more emphasis on equipping young people for life. It will build children's ability to learn new skills and apply their subject knowledge more positively and creatively. As the world changes, they will be more able to adapt.

They will also get a deep understanding of how to thrive in an increasingly digital world. A digital competence framework is now introducing digital skills across the curriculum, preparing them for the opportunities and risks that an online world presents.

Meanwhile teachers will have more freedom to teach in ways they feel will have the best outcomes for their learners.

The central focus of assessment arrangements will be to ensure learners understand how they are performing and what they need to do next. There will be a renewed emphasis on assessment for learning as an essential and integral feature of learning and teaching.

Four Purposes of Education

As a school, we are developing a curriculum that puts the following four purposes right at the heart of what we do.

We want every learner to leave Llanrhidian as:

ambitious, capable learners, ready to learn throughout their lives

enterprising, creative contributors, ready to play a full part in life and work

ethical, informed citizens of Wales and the world

healthy, confident individuals, ready to lead fulfilling lives as valued members of society.

[Back to Table of Contents](#)

Relationships, Sexuality Education

[Back to Table of Contents](#)

Links to the UNCRC Rights of the Child:

Article 2 "Your right to equality and non-discrimination."

Article 6 "Your right to grow up and be healthy."

Article 13 "Your right to have information."

Article 34 "Your right to be protected from abuse."

Our school curriculum embraces the RSE Code. Our RSE provision will have a positive and empowering role in our learners' education and will play a vital role in supporting them to realise the four purposes as part of a whole-school approach. Helping learners to form and maintain a range of relationships, all based on mutual trust and respect, is the foundation of RSE. These relationships are critical to the development of emotional well-being, resilience and empathy.

In accordance with Welsh Government legislation, there is no right to withdraw from RSE. All lessons are stage appropriate and can be viewed on the school website. Our RSE lead, Mrs Chafey, has produced a useful parent leaflet that is available on request. [Or click here.](#)

Headline Targets 2023-2026

[Back to Table of Contents](#)

Priority Area and Aligned Sub Committee	Headline School Priorities 2023-24		2024-25	2025-26
Learning IA1	Literacy (E)	L1 Further develop writing through refining editing and re-drafting skills across the school. 1.1	Raise Standards in identified literacy areas	Raise Standards in identified literacy areas
	Numeracy	L2 Further develop a progressive range of strategies to support pupil resilience in mathematical reasoning. 1.1	Raise Standards in identified numeracy areas	Raise Standards in identified numeracy areas
	Progression	L3 Develop opportunities for progressive “ACE” skills (analysis, creativity and evaluation) across all AoLEs and across the school.	Evaluate and refine consistent approach to progression	Evaluate and refine consistent approach to progression
Teaching & Learning Experiences IA3	Teaching	T1 Continue the positive progress of Welsh Oracy, extending its incidental use outside of lesson contexts 3.1	Evaluation and Refinement	Evaluation and Refinement
	Planning	T2 Further develop planning to support the progression of each area of learning. 3.2		
Wellbeing & Attitudes to Learning IA2	Physical Well-Being	W1 To develop further engagement in out of school, community sporting events. 2.1	Evaluation and Refinement	Evaluation and Refinement
	Assessment for Learning	W2 Align the school’s feedback policy with the LUA approach to support pupils’ understanding of what they need to do to improve. 2.2	Evaluation of Impact	Refinement of provision
Wellbeing/ Care, Support & Guidance IA4	ALN	GSG1 Monitor and refine universal and targeted provision to support all learners	Evaluation of Impact	Refinement of provision
Leadership & Management IA5	Self Evaluation	L1 Improve and further streamline AoLE monitoring to ensure reports are evaluative. 5.2	Evaluate and refine self-assessment systems	Evaluate and refine self-assessment systems
	Self Evaluation	L2 Further develop the strategic cycle for governor involvement when evaluating school targets	Evaluate and refine self-assessment systems	Evaluate and refine self-assessment systems

Progress on our School Development Plan

[Back to Table of Contents](#)

Parents are made aware of the focus via newsletters, parent meetings and our school website. The SDP is available at the school office should any parent wish to read it in more detail.

Our SDP runs from September to July each academic year. Our targets are devised using a number of sources. These include analysis of end of year data from national and standardised tests and teacher assessments; local and national priorities; Estyn recommendations; staff, parent, pupil and governor questionnaires and monitoring and audits undertaken by the Head teacher, Senior Management Team, AoLE teams and external advisors.

Our PESTs (Pupil Evaluation School Team) evaluate our targets from a pupil perspective each year. To access our past and present development plans please click [here](#).

Progress on our targets from last ESTYN Inspection (2017)

[Back to Table of Contents](#)

Date of Last Inspection: July 2017				
Recommendation	Very good progress	Strong progress	Satisfactory progress	Limited progress
	Tackles the recommendation in every way	Tackles the recommendation on the whole	Tackles the recommendation in many ways	Does not satisfy the recommendation
Definition	<p>Does not require any further attention to any aspect.</p> <p>Very good effect on the quality of provision.</p>	<p>Requires attention only to minor aspects.</p> <p>Positive effect on standards and / or the quality of provision.</p>	<p>Continues to require substantial attention to some important aspects.</p> <p>Limited effect on standards and / or quality of provision.</p>	<p>Each aspect or many important aspects continue(s) to require attention.</p> <p>No effect on standards and / or quality of provision.</p>
R1. Share the best practice in teaching and learning across the school to improve standards further - STRONG PROGRESS	<ul style="list-style-type: none"> • Whole school vision which promotes high expectations. • Developed new curriculum teams consisting of 3 teachers across the school. • Teaching Triad protocol being developed within the curriculum teams to monitor peer teaching and learning - supportive and collaborative approach • Aligned PM with professional standards in terms of “excellent” • Pods share good and effective practice through adds and informal meetings • Extended planning and preparation time for pod staff to collaborate and share • Excellent team developed where every member of staff is valued and has a say in curriculum design based on what they feel works well • Effective system of professional development where professional learning is shared. 			
R2. Expand the opportunities to improve pupils’ oracy skills in Welsh - STRONG PROGRESS	<ul style="list-style-type: none"> • Expanded opportunities for authentic Welsh Oracy eg Amser Tost, Dydd Mercher Maeth • Instructional Welsh videos being developed via website to support learners with Welsh patterns • Siarter Iaith Bronze Application • Gwasanaeth Cymraeg - weekly • Daily Slot Drillio • Extended sentences for everyday use displayed in pods e.g. Diolch am dy ateb ond..... • Working with Cymraeg secondary link person to develop a cluster approach to progression in Welsh language skills 			

Our Curriculum

We are in a time of significant change in primary education. At Llanrhidian we embrace such changes by ensuring we put the pupils at the heart of all our decisions. Our curriculum is driven by the four purposes, and we ensure that professional development is a high priority for all staff. At the heart of an excellent school must be excellent teaching and learning!

Planning and assessment for progressive skills is at the heart of this change, in addition to raising standards in reading, writing, numeracy and digital competency. Annual National Tests (Personal Assessment) are undertaken in Reading and Numeracy each Summer for all pupils from Y2 to Y6. Parents are informed of their child's scores in these tests at the end of the Summer Term. The school uses this, and a range of other data, to track pupils' progress, inform teaching and learning and also to identify and support individual pupil needs.

Our Curriculum for learning policy is updated and reviewed regularly, and our purpose based curriculum planning is continually reviewed.

Governors and members of staff have worked closely with the Head teacher regarding school self-evaluation, assessment and raising standards.

A summary of our curriculum can be found [here](#).

School Policies

[Back to Table of Contents](#)

We regularly review and update our school policies. Reviews are undertaken on a rolling programme, led by relevant leaders.

Review of policies ensures the inclusion of new developments, resources and methodologies particularly with the Government drive on safeguarding and raising standards in literacy and numeracy. Copies of school policies can be obtained from the school website which can be accessed [here](#).

Health & Safety & Safeguarding

[Back to Table of Contents](#)

Safeguarding is of paramount importance to the staff and governors of Llanrhidian. All staff and governors are required to take child protection training every three years. The school provided training in Spring 2022. Mrs D Caswell is the designated Child Protection Officer for the school. Mrs J Houston is the designated Child Protection Governor for the School.

Whilst encouraging independence and decision making, the school strives to provide the pupils with a safe environment in which to nurture their skills. Changes to the school over the last two years in terms of health and safety have included:-

- New windows in Pod Prycop and Pysgodyn
- New toilets in the multi-purpose learning space (Pysgodyn/Dining Area)
- Re-plastering and decorating
- New Decked area Pod Penguin and Pod PryCop
- New Multi-purpose floor Pod Penguin
- New fire doors, internally and externally

Mentally Healthy School

[Back to Table of Contents](#)

Llanrhidian Primary School has worked with our partners across the cluster to develop a "Mentally Healthy School Model".

The aim of this model is to provide a consistent approach to developing and maintaining mentally healthy schools across the partnership. When considering "stakeholders" we include pupils, staff, parents, governors and members of our community.

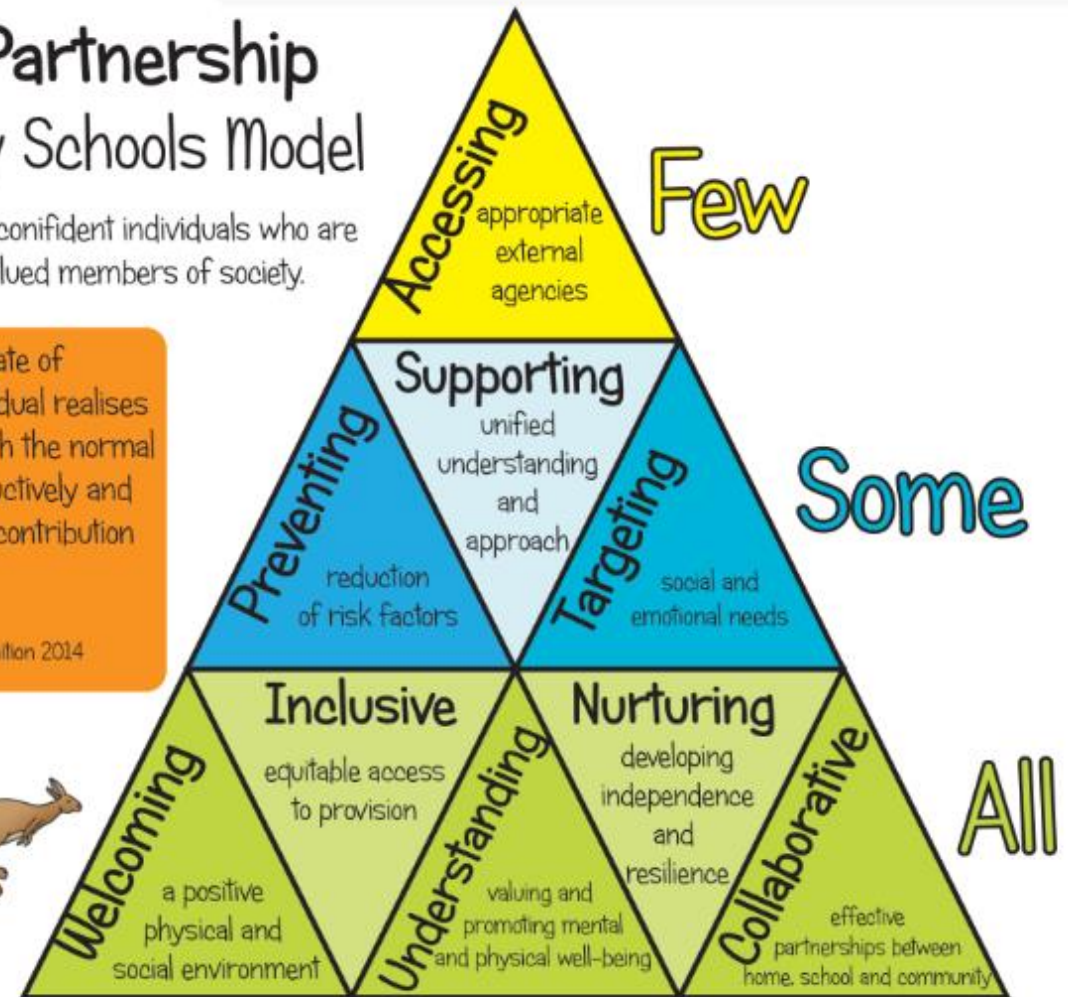

It must be made clear that there is no expectation upon the North Gower Partnership to be experts in Mental Health, however, all involved stakeholders should expect to receive, accept and promote this consistent approach.

North Gower Partnership Mentally Healthy Schools Model

Our Purpose: To create healthy, confident individuals who are ready to lead fulfilling lives as valued members of society.

Mental health is defined as a state of well-being in which every individual realises their own potential, can cope with the normal stresses of life, can work productively and fruitfully and is able to make a contribution to their community.

Based on The World Health Organisation Definition 2014

Toilet Facilities

Llanrhidian Primary provides good quality toilet facilities throughout the school. The school recognises that well-maintained toilet facilities where learners feel comfortable and safe and have open access to throughout the school day, are essential for health, well-being, and learning.

Toilets and washroom facilities are open and available to learners throughout the school day. They are suitable for the range of anticipated users, including learners with disabilities and special needs, with adequate lighting, fixtures and fittings. There is a “Big Girls’ Toilet” for the use of all year 5 and 6 girls. This is equipped with appropriate sanitary protection and sanitary disposal equipment. The school makes appropriate use of the period poverty grant.

Strategic Equality Plan

[Back to Table of Contents](#)

The school's Strategic Equality Plan - SEP - is reviewed every three years and was reviewed in Autumn 2020. It identifies access needs in order that the school may continue to be inclusive to all. This has been used to inform the LA of school priorities in this area. All visitors are asked to inform the office if they have specific needs and we endeavour to meet requests.

A copy of the SEP is available from our school office. This is also be available via the school website.

NGP Progression Plan 2022-25

Year	Objectives
<u>2022-2023</u>	<ul style="list-style-type: none"> •Head Teachers to agree on a consistent cluster approach to progression •Head Teachers to agree and develop a consistent approach to planning and assessment in line with CfW Principles of Progression. •Set up AoLE networks and task with agreeing on cluster domains (contextual not content) •Each school to amend planning to map out domains and share •Agree and publish a cluster curriculum summary. •Develop a cluster website to host resources and support all staff across the partnership.
2023-2024	<ul style="list-style-type: none"> •AoLE Networks to complete and refine all domains •Trial period for planning domains across the cluster •Termly evaluation and review of domain planning •AoLE Networks to further develop planning and assessment through developing optional learning objectives framework under each domain. •Develop a consistent cluster approach to attendance
2024-2025	<ul style="list-style-type: none"> •Review and refine planning and assessment processes •Implement optional learning objective framework
