## A Day at the Fairground

Fairgrounds are exciting places full of lights, music, and fun. People visit fairgrounds to enjoy thrilling rides, eat delicious treats, and play exciting games.

### Fairground Rides:

- **Ferris Wheel** - A slow, relaxing ride that takes people high into the air.
- **Carousel** - A colourful ride with beautifully decorated horses that move up and down.
- **Roller Coaster** - A fast and exciting ride that twists, turns, and drops suddenly.
- **Bumper Cars** - Small electric cars that allow people to drive and bump into each other.
- **Haunted House** - A spooky ride with surprises around every corner.
- **Swing Chairs** - A ride where chairs swing in the air as the ride spins!

 **Fun at the Fair:** At the fairground, you can also play games to win prizes, watch live performances, and enjoy treats like candy floss, toffee apples, and hot dogs. Fairgrounds have been around for a long time, and they continue to bring joy to families today.
