3

Planning

I will need:-

To make this investigation a fair test.....

DINs:

What are our success criteria? What are our variables? How will we make this a fair test? What will you need to keep the same? What will we measure?

4

Prediction

I think because....

DINs:

What do you think will happen? Why do you think that?

5

Diagram

6

Results

7

Conclusion

I found out that..... I think this happened because.....

DINs:

What did you notice about the results ? What does this tell us? Can you see a pattern?

“Grow, Learn Succeed Together!”
Inspiring our children to be the best they can be!

Reflection

A successful part of the investigation was...

One challenge we faced during the investigation was...

DINs: What worked well? What didn't work well? Why?

If you did this again, what would make it better? Where could this information be used in the real world?

"Grow, Learn Succeed Together!"
Inspiring our children to be the best they can be!
