3

Planning

To make this investigation successful we need to.....

We will change.....

We will observe the effect it has on.....

We will keep the same.

DINs:

What are our success criteria? How will we make this a fair test? What is the independent variable? What is the dependent variable? What are the control variables?

4

Prediction

I think

DINs:

What do you think will happen? (2 ER words) Why do you think that? How can you explain yourself scientifically?

Conclusion

I found out that..... I think this happened because.....

My results show...

DINs:

What did you notice about the results? (2 ER words) What does this tell us?

Can you see a pattern? Are your results accurate?

8

Reflecting

A successful part of the investigation was...

One challenge we faced during the investigation was...

This would improve the investigation because.....

DINs:

What worked well? What didn't work well? Why?

Did you have any anomalies? Was your prediction successful? Where could you apply this information in the real world?

“Grow, Learn Succeed Together!”
Inspiring our children to be the best they can be!
