Multiplication

multiply lots of
times groups of
multiplied by array
repeated product
addition

Show as equal groups

Repeated addition

$$5 + 5 + 5 + 5$$

Skip counting

5, 10, 15, 20

Problem

$$4 \times 5 = 20$$

$$4 \times 5 = 20$$

$$5 \times 4 = 20$$

Show as an array

Write the multiplication sentence
