

Parish News Letter - Llanrhidian Primary School

A fantastic journey so far in our exciting topic *Fair, Fayre, Fare* leading us into a world of exploration, discovery, and discussions. Pupils have engaged in a wide variety of activities, both inside and outside, helping develop a deeper understanding of fairness in all its forms.

Pod Pili-Pala/Pengwin have been investigating fayres, exploring the traditions of fayres both locally and around the world. They also enjoyed celebrating Chinese New Year, learning about its significance. Through exploring Fair Trade, they gained insight into where our food come from, and the importance of fairness. As part of St David's Day they have been honouring their heritage. Also, learning about animals that call the Gower their home. Their journey has encouraged curiosity and appreciation for the world around them.

Pod Pysgodyn have delved into the fascinating world of funfairs, analysing inspiration and designing their own thrilling attractions, considering equality in how to make rides accessible. Fair Trade exploration has highlighted our foods journey from farm to fork, and the importance of ethical choices. Role models of fairness, such as St Dwynwen and St David have encouraged reflection on how their values can guide us today.

Pod Pry Cop have been investigating fairness in our very own Caffi Cynefin, considering how to improve accessibility and community engagement. Analysing our Welsh heritage encouraged reflection on what it truly means to be Welsh, exploring traditions, language, and identity. A focus on fairness, equality, and equity analysed how rules, responsibilities, and laws shape our society, debating the difference between equality and equity and how we can create a fairer world for everyone. Their thought-provoking discussions have helped develop a strong sense of justice and responsibility.

Caffi Cynefin & Community Engagement

Caffi Cynefin continues to be a thriving hub for our school and local community. Every Thursday from 09:00-11:30 in the school hall, we welcome everyone to enjoy teas, coffees, cakes, and hot snacks in a warm and friendly environment. Pupils have been taking an active role in hosting, helping to strengthen their confidence, social skills, and sense of responsibility.

Looking Ahead

As we continue through the year, we are excited for more enriching learning opportunities, visits, and celebrations that bring our community together. Thank you for your continued support in making Llanrhidian Primary School such a wonderful place to learn and grow.

Diolch yn fawr!
