

We're Back!!

After another period of national lockdown we were delighted to finally welcome back the whole school this week. Our younger learners from Nursery to Y2 returned on 22nd February and our learners from Y3 to Y6 returned on 15th March.

The lockdown period has not been easy for our children, parents or staff and we offer our heart-felt

thanks to all our families who have engaged so willingly with our home learning offer. Our creative staff have worked hard to provide recorded lessons and exciting activities via the pod pages on our website. The children even had recorded assemblies with Mrs Caswell. If you would like to see what the children have been up to whilst at home please check out our website at:

<https://www.llanrhidian.swansea.sch.uk/> and our Twitter feed: <https://twitter.com/llanrhidianp>

Since being back in school, the children have got stuck into their activities and have relished spending time with their friends again. The younger children enjoyed celebrating St David's Day when they returned. They had loads of fun learning Welsh dances for our twmpath and making and eating some Welsh favourites such as Glamorgan sausages and Welsh cakes. We are fortunate to have created some extra space for ourselves by hiring a marquee from Gower Events and Equipment Hire. This has been an invaluable resource in allowing us to carry on with such activities as dance and PE during a time when space is at a real premium in our school due to the COVID health and safety restrictions. Pod Pry-Cop enjoyed using the space for some team building games on their first day back.

We are looking forward to our Easter Funday next week when we will have our usual Easter bonnet parade and an egg hunt. It is with such sadness that we are all

missing our second traditional "Eggstravaganza Day", but we will make sure the pupils will enjoy their day.
