

Llanrhidian Primary Summer Launch Day 2021

Go Go Gower Rangers

The pupils of Llanrhidian Primary have had a fantastic time launching our new summer topic, 'Go, Go Gower Rangers'.

There were a variety of activities throughout the week that captured the pupils' imagination and creativity. We even had visitors from the Bronze age. The activities have helped us learn more about our locality from the history of Cil Ifor, Fairy tales about an Iron door and the geographical makeup of the Salt Marsh. The pupils were able to launch themselves into our new topic.

After our launch activities, the children then planned what they wanted to learn about and what they want to discover. It really is going to be an exciting term ahead at Llanrhidian Primary School.
