

**LLANRHIDIAN PRIMARY SCHOOL**  
**PARISH NEWS**  
**AUGUST 2022**

We are thrilled to have ended our academic year on such a high. With covid restrictions removed, we were able to re-engage with some of our traditional community events including our annual sports day.

We decided this event would need to look different. So instead of lots of stalls, stress and work load – we opted for a calm “bring a picnic” event instead. I can honestly say I think it was the most enjoyable sports day ever, and the feedback from parents was amazing. Thank you to all those families who supported us on the day, and of course thank you to our team who always pull out the stops to make everything “the best it can be!”

## Four Purposes

We are now planning for the Autumn term, and we really want to re-develop our links with the community. Our annual marquee will really help with this and our thoughts are that we could hold a monthly community market. Not only would this bring in local businesses, it will give the pupils an authentic insight into the world of work and financial literacy. If you know anyone “local” who has their own business, please ask them to get in touch. Together, we could do something amazing that benefits our families, local businesses and most importantly, our pupils.

From September the new Curriculum for Wales is mandatory for all primary schools. We are very excited, and more than ready for this. Designing a curriculum is a journey, and not an event, and we need everyone’s input if we are to truly deliver an authentic curriculum that ensures our pupils aspire to the four purposes of the new curriculum.

I would like to thank all our families for supporting us through another challenging year, and wish everyone a wonderful summer break. Mrs Caswell (Head Teacher)

“Grow. Learn. Succeed. Together!”
