

Sports day practice at Llanrhidian Primary school.

This term we have been practising for our sports day that is held on our school field. All pupils at Llanrhidian understand the importance of staying fit and healthy and have thoroughly enjoyed running, jumping and balancing for our sports day event. We always start our event with an opening ceremony. Here we are practising our Sports Day song.

We usually hold three events with children from Nursery to year 6 taking part.

Race 1-The running race.

Race 2-The Egg and Spoon.

Race 3—The Obstacle race.
