

Parish News May 2023 by Mrs Gosney

Last term I was lucky enough to attend a fully funded Welsh Government five-day outdoor learning course in Romania.

The aim of the course was to experience, share and compare how others parts of the world teach outdoor learning in schools.

We visited 3 schools all with very different approaches to delivering outdoor learning dependent on their resource and environment.

We worked alongside the host teachers and children during activities and it was lovely to see the joy and enthusiasm on the children's faces as they completed their challenges.

As well as visiting the schools we were also lucky enough to explore some of Romania's beautiful landmarks and historical sites.

It was a great experience and I am excited to share all that I have learned with the children at Llanrhidian Primary School.
