

Llanrhidian Primary is thrilled to reopen its doors and welcome pupils back after the summer holidays. The excitement of fresh beginnings fills the air as we eagerly prepare to welcome our families back. After a few weeks away, the joy of learning, connection, and growth brings renewed energy to the entire school community.

We would like to take this opportunity to wish our former Year 6 pupils the very best of luck as they begin their new journeys at comprehensive school. While we will certainly miss them, we know they are ready for this next step. We hope they carry the skills, values, and memories from their time at Llanrhidian with them, guiding them through the challenges and opportunities ahead. We are proud of their growth and excited to see what they achieve in the future!

We're excited to kick off this school year with our autumn topic, "Fizz, Flow, Freeze." The success of our launch day, working alongside Gower Unearthed and Nature Days, was fantastic, providing hands-on learning that captivated our pupils. We're incredibly grateful to have received a generous grant from the Gower Society, which continues to enrich our educational experiences. A heartfelt thank you to all involved for making this project such a wonderful success!

As I start my third year here at Llanrhidian, I am extremely proud to be part of this wonderful community and am excited for another successful year ahead! Diolch!

Sarah Archard
