Fireworks Activities

It has been a busy and colourful start to this half term at Llanrhidian Primary School where we have been learning about Festivals of Light. We celebrated Bonfire night and we have had fun with our friends, Fflic and Fflac producing a firework safety video and safety posters for our friends and the community. For our Choice and Challenge tasks we had to create fireworks in different ways.

We also experimented with different ways of producing Rangoli patterns using Lego, paint and shapes for Diwali and we created our own Mendhi patterns too.

Christmas Activities

In Pod Pengwin we have all been really excited for Santa's arrival soon. To get us in the festive spirit we have been doing all sorts of fun Christmas activities.

Santa got into some trouble with his sleigh breaking down. Our little pengwins have applied to be elves to work as Santa's mechanic! We have been helping him with sleigh designs and how to fix it with the use of magnetic materials.

There's still lots to come with our preparation for our Christmas concert. We are all very happy pengwins, especially on our favourite time of the year!
