Dydd Llun: Beat the Teacher

Point at one of the images/English phrases (option here to also read it aloud in English or just do the agreed action) and then you slowly say the Welsh aloud. Students repeat. However sometimes you will 'get it wrong' and say the Welsh for a different word/phrase, so if you get it wrong, students must NOT repeat it or you get a point, so the aim for you is to 'trick' them and for them not to be tricked.

Dydd Mawrth: Pasio'r bom

Set a 30 second timer on the IWB. Give the children a range of different topic pictures to use in a sentence of their choice using the language pattern that you have been teaching e.g. prynais i... If the 'bomb' goes off whilst a child is in the middle of saying their sentence then the child loses a life (they have 3 lives in total). Continue for a set time or until there is an overall winner,
