

Planning for Learning

Date: WB. 7.04.2025

Domain - Investigation

Statement of What Matters: Science (WM2)

DOL(s): I can explore the properties of materials and choose different materials for a particular use.

Learning Objectives:

To choose different materials for a particular use.

Assessing My Learning

I can explore the materials and talk about which one is suitable.

I can choose the best material and give reasons why.

I can test my material choice and talk about what has happened.

I can ask questions.

I can find the equipment that I need.

“Grow, Learn Succeed Together!”
Inspiring our children to be the best they can be!

Planning for Learning

Date: WB. 07.04.2025

Domain - Investigation

Statement of What Matters: Science (WM2)

DOL(s):

I can make design decisions, using my *knowledge* of materials and existing products, and suggest design improvements. (PS2)

Learning Objectives:

- To choose different materials for a particular use.

Assessing My Learning

I can discuss what I have made and why I have used the material.

I can explain what has happened to Humpty when he fell off the wall.

I can plan what I will do next.

I can ask questions.

I can find the equipment that I need.
