

GRaSp - Punctuation

This text needs re-writing with 3 exclamation marks and 2 question marks in the correct place.

They are all missing at the moment.

Can you find them all?

The fayre was alive with energy, with crowds gathering near the bright lights of the Ferris wheel. Children darted from ride to ride, their faces glowing with excitement. Wasn't the carousel the most beautiful thing. Friends laughed as they played games, trying to win oversized stuffed animals. The lively music blended with the joyful noise, creating a scene of pure happiness and celebration. The fayre buzzed with joy, children racing to the carousel as laughter filled the air. Was the roller coaster the most popular ride at the fayre. The roller coaster roared, thrilling the crowd. Friends waved, caught in the excitement, as carnival music played, adding magic to the lively, colourful scene.
