

The Harvest Journey from Llanrhidian Farm to Llanrhidian Primary

It was a bright autumn morning at Llanrhidian Farm. Farmer Davies drove his green tractor across the golden fields to harvest the wheat. The grain was taken to the mill and ground into soft flour. The flour went to the bakery, where warm bread was baked for the Harvest Festival. At Llanrhidian Primary School, children decorated the hall with food and flowers. When Farmer Davies arrived with baskets of bread, everyone cheered. During the Harvest Assembly, the children sang songs and gave thanks. The food was shared with people in need, and everyone felt proud to help others.
